The best food in town. I tried many dishes and they were all amazing. I often fight to find good beef in the DR, but this restaurant always gets it right. All her sauces are very delicious. Service take more time than other restaurants in the city, but I personally think the quality of food is worth waiting. [read more](#). What [User](#) doesn't like about La Mata Rosada:

Said to be the only place for an espresso coffee in town. The croissant tasted like old bread, the only common thing with the real one is the form it has. They charged for it despite I returned it right away. Otherwise the espresso coffee was regular and the choco vanilla empanada was fine. Rather expensive the menu, considering it is pasta mostly.
