Went for a dinner date with my husband. The atmosphere is beautiful and tasteful, the service was extremely attentive and polite, and the food was WONDERFUL. I recommend the pulpo con patatas bravas for a starter, and the curry chicken for a main. Main dishes range from about \$17-35. All around it was a great experience. I will be back! [read more](#). What [T](#) doesn't like about Tanino Bistro:

Don't bother...Six shrimp and a few small, what we call "bay" scallops for \$25 is ridiculous. My dining companions pork rib was mostly fat. Bread is also an extra charge, so beware. There is no ambiance at all. When one can spend over \$100 for two people I expect a table cloth. And paper napkins at this price point? You got to be kidding! [read more](#). During meals, a refreshing drink is essential. In this [gastropub](#), you will find not only exquisite dishes, but also a large and comprehensive selection of good beers and other alcoholic drinks that compliment the food, Of course, the atmosphere has a significant influence, meaning the customers do not only appreciate the tasty meals, but also value *the bistro* itself appreciate. You can also relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, Indulge in the impressive view of the delicious decorations of the dishes and also enjoy a excellent view of some of the regional **attractions**.
