Was happy to have a place with vegan cheese, but you couldn't really taste it. Made better quesadillas with guac at our hostel the night before. Cute place tho! [read more](#). Get excited about the **diverse, delicious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), and you may look forward to the delicious typical seafood cuisine. The splendid scene of a diverse selection of landmarks is an additional draw for this locale, For you, the meals are normally prepared in the shortest time and fresh.
