I enjoyed their brews most of all. The food is also good. Sometimes they have had music and it was always of high quality. I met a lot of people there, both tourists like me and locals. The bar staff were very welcoming and amusing. [read more](#). What [User](#) doesn't like about Bocas Brewery:

if you are looking for a nice restaurant on the water with easy access to water tax, this is a good option. if they are looking for amazing food, they will like and skip one. room temperature mozzarella sticks, a sloppy chaos called brothers pommes, and a moderate island castle. the burger improved when covered in their hot sauce, otherwise there was no taste (I still don't understand how they can suck all tastes fro...
