I love this place, however, I've been a client since they opened, and the portions of their shakes have reduced SO MUCH since last time I was here and this is the reason why I took one of the stars away. The flavor and taste are amazing, the Hawaiian sandwich is my favorite but now they have [vegetarian](#) options that are YUMMY!!!! [read more](#). Frutabar from Guayaquil is a good option for a bar if you want to have a drink after work and sit with friends or alone, For a snack, the yummy sandwiches, small salads and other snacks are suitable. Ultimately, the restaurant presents a variety of *light* menus, which are categorically worth a try, In the morning they serve a **tasty breakfast** here.
