What [User](#) likes about Burger Rancho: beautiful veggie burger options (the some burger places still fight), large smoothies, relaxed atmosphere and friendly service. only minus: the music is sometimes a bit too loud for our taste. [read more](#). The restaurant offers complimentary WLAN for its visitors, And into the accessible rooms also come customers with wheelchairs or physiological limitations. If the weather are right, you can also be served outside. What [User](#) doesn't like about Burger Rancho:

dang, that was bad. after three days of eating delicious typical costa we have eaten a burger, so we came here. we ordered the humus that was pretty bad, especially the brot plus two burgers and a fish and chips. we feed almost all the dog. that's the one who's gone. They have amazing eating and they're super cheap. [read more](#). The Burger Rancho originating from Cobano dishes out various **tasty seafood courses**, and you can indulge in fine American dishes like **Burger or Barbecue**. Most often, the burgers of this restaurant, which are among the highlights, are offered along with sides like french fries, salads or wedges, At the bar, you can unwind with a [freshly tapped beer](#) or other alcoholic and non-alcoholic drinks.
