Honestly... It 's the only place to go in town, but damn it was good. The bartender, which I now call mi amigo , is a great guy. He knows how to prep a proper shot. Rum and lime, tequila and lime... Don 't matter. As long as there 's lime, he 'll hook you up! Gracias Carlos! [read more](#). What [BBB](#) doesn't like about Amigos:

I give them 3 stars because It's a shame we are in the middle of the World Cup and they have no interest in their clients wanting to watch the games at this place!! You practically have to beg to turn on the games and sound. The kitchen does an amazing job with all plates! I give them a 5 stars here. [read more](#). If you wish for some Latin American cuisine, the Pupusas or even a fiery chili in the Amigos are certainly a tempting choice, You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks. It goes without saying that a suitable drink completes a meal; therefore this gastropub offers a generous range of scrumptious and local alcoholic options, be it beer or wine, One can also find some **international dishes** to choose from on the menu.
